Lactation consultants are professional breastfeeding specialists trained to teach mothers how to feed their baby. They help women experiencing breastfeeding problems, such as latching difficulties, painful nursing and low milk production. A lactation consultant also helps babies who are not gaining enough weight. This service is offered by Ellisville OB-GYN Clinic from certified lactation consultant, Ashley Floyd, WHNP, CLC.

[Comprehensive Eye Care Available Locally at South Central Eye & Laser Center](#)

From regular eye exams, to expert surgical interventions, [South Central Eye & Laser Center](#) will provide you with an accurate evaluation of your eyes. Our team takes your vision seriously and provides quality care for a variety of eye diseases and vision problems. Judith L. Bradley, MD, and Sarah Queck, MD, provide comprehensive ophthalmological care at South Central Eye & Laser Center.

Dr. Queck explains the services available locally. "Services range from diabetic retinopathy, eye exams, cataract surgery, glaucoma laser surgery, macular degeneration, flashes, floaters and tear duct surgery, to fitting patients for glasses and contact lenses. We have a service available for all ophthalmology needs."

Dr. Queck completed medical school at the University of Mississippi Medical Center and a residency in ophthalmology at Hamilton Eye Institute, a division of the University of Tennessee Health Science Center. "My goal when working toward my degree was to do something that would impact a person's quality of life. Vision is important to everyone, so sometimes through services and

treatment, their lives can completely change.”

To schedule an appointment with Dr. Queck at South Central Eye & Laser Center, call 601-426-9454. South Central Eye & Laser Center accepts Medicare, Medicaid and most commercial insurance plans. The facility is located at 1020 Adams Street in Laurel and is open Monday – Friday, 8 a.m. – 5 p.m. For more information, visit scrmc.com.

Why call a medical clinic and wait on hold when you can contact your healthcare provider online?

The South Central Regional Medical Center online Patient Portal allows you to:

- Request an appointment.
- Ask for medication refills.
- Ask a question.
- View your test results.

You can also view your clinical documentation, list of your medications, procedures, download medical records and view radiology reports.

To enroll in South Central's patient portal, visit scrmc.com and click on patient portal. The registration form is quick and easy to complete.
